

## CORNERSTONE

Thank you for your interest in Cornerstone Christian School.

We at Cornerstone are committed to the purpose of giving our students the benefit of an excellent academic education as well as strong spiritual training that will prepare them for work in the world and the church.

We know God has placed upon parents the responsibility to see that their children are educated and taught the ways of the Lord. (Deuteronomy 6:6-9, Ephesians 6:4, Proverbs 22:6). Cornerstone Christian School is dedicated to helping parents fulfill this biblical mandate by serving as an extension of the home.

At Cornerstone we believe that the Bible is God's Word and, therefore, is our standard for all morals and behavior. Our intent is to recognize and develop your child's God-given abilities and talents.

We believe attendance in our school to be a privilege and, therefore, grant it to those who qualify. Our purpose is to train those who are willing rather than try to reform the unwilling.

We provide an excellent learning environment that will inspire students to individual responsibility, personal integrity, self-discipline and becoming good Christian leaders and citizens.

If you are looking for an environment with high spiritual and academic standards, where differences are celebrated, understanding and flexibility encouraged, respect and kindness required, then Cornerstone Christian School is an avenue you will want to explore for your child.
